

Physical Biology Circle Meeting

The Physical Biology Circle Meeting will bring together European researchers at the leading edge of research in experimental and theoretical biological physics. The meeting aims at discussing research topics at the interface between physics and biology and at fostering interactions between key institutions playing a role in this quickly growing field. Emphasis is put on the active participation of researchers on the PhD and postdoc levels with lots of opportunities for contributed talks by PhD students and postdocs. All fields of biophysics are welcome.

- Tissue mechanics
- Stochastic thermodynamics
- Phase separation
- Epigenetics
- Chromatin dynamics
- Biological hydrodynamics
- Active matter
- Cell signalling
- Morphogenesis
- Soft matter

Invited speakers:

Nathalie Balaban Hebrew University of Jerusalem Universität des Saarlandes

Anne Grapin-Botton MPI-CBG Dresden

Local coordinators:

Frank Jülicher MPI-PKS Dresden

Steffen Rulands MPI-PKS Dresden

Node coordinators:

Aurélie Bertin Institut Curie

Sara Cuylen-Häring EMBL Heidelberg

Alba Diz-Muñoz

EMBL Heidelberg Stephan Grill

MPI-CBG Dresden Karsten Kruse

Université de Genève

Franziska Lautenschläger

François Nedelec University of Cambridge

Albrecht Ott

Universität des Saarlandes

Ewa Paluch

University of Cambridge

Guillaume Salbreux

Francis Crick Institute

Michael Sixt

IST Austria

Thomas Surrey

Centre for Genomic Regulation

Xavier Trepat

IBEC Barcelona

Jeroen van Zon

AMOLF

Organisation:

Claudia Domaschke MPI-PKS Dresden

Only applications from members of participating institutions can be considered. Application deadline is 29th February 2020.

Applications by members of participating institutions are welcome and should be made by using the application form on the event's web page. The number of attendees is limited. The registration fee for the international focus workshop is 140 Euro and should be paid by all participants. Costs for accommodation and meals will be covered by the Max Planck Institute. Limited funding is available to partially cover travel expenses.
